

Name _____

Rain & Play Reading Comprehension Worksheet

Rain

Sometimes it rains. It gets wet outside. A raincoat keeps you dry. An umbrella keeps the rain off. Why does it have to rain? We need rain. Without rain plants would not grow. We would not have food to eat. We would not have water to drink.

Question: Do plants need rain? Why/Why not?

Play

Children like to play. They like to kick a ball around. They like to play hide and seek. Some girls like to play with dolls. Some girls do not like dolls. Some boys like to play with cars, but some do not. That's okay. Just have fun!

Question: Name three games children like to play.
