Addition and Subtraction Fact Families

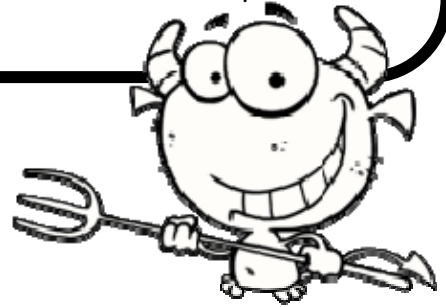

About Fact Families

A family is a group of people that are related and work closely together, Numbers can be members of families too. Did you know that the numbers 3, 4, and 7 were a family? Let's see how they are related and work close together.

A) Two of the numbers can be added together to make the third: $3 + 4 = 7$ or $4 + 3 = 7$

B) You can subtract the largest number of the family by either of the other family members to get the other family member. $7 - 3 = 4$ $7 - 4 = 3$

Monster Tip!

Create a Fact Family for each set of numbers:

1, 4, 5	6, 3, 9	4, 2, 6
1, 8, 9	2, 5, 7	4, 5, 9
