

Name _____

Date _____

Take Me Out To the Ballgame

Did you know you can use the information you have been taught about place value to help you compare whole numbers? You can! For example, you might want to compare the amount of fans that attended a baseball game.

When comparing numbers, you must first locate the number that is in the highest place value and compare those numbers. Answer the questions below using the information from the table.

The chart shows how many fans went to each of the stadiums on Sunday.

Stadium	Number of Fans
Rockville Stadium	7,345
Greenfield Stadium	8,567
Downtown Stadium	8,933
Boulder Stadium	6,741

Which stadium had the most fans on Sunday?

Which stadium had the least fans on Sunday?

Which stadium had more fans on Sunday Greenfield or Rockville?

Name _____

Date _____

Take Me Out To the Ballgame

Answer Key

The chart shows how many fans went to each of the stadiums on Sunday.

Stadium	Number of Fans
Rockville Stadium	7,345
Greenfield Stadium	8,567
Downtown Stadium	8,933
Boulder Stadium	6,741

Which stadium had the most fans on Sunday?

Downtown Stadium

Which stadium had the least fans on Sunday?

Boulder Stadium

Which stadium had more fans on Sunday Greenfield or Rockville?

Greenfield Stadium
