Mental Math: Subtraction by 100's Blocks

Mental math is a strategy used to calculate numbers quickly. In the tables below, use mental math to subtract 100 from each of the numbers in the columns.

Subtract 100 from each number	
128	
567	
300	

Subtract 100 from each number	
289	
345	
301	

Subtract 100 from each number	
798	
899	
420	

Subtract 100 from each number	
330	
590	
112	

Subtract 100 from each number	
525	
821	
513	

Subtract 100 from each number	
105	
501	
730

Date _____

Mental Math: Subtraction by 100's Blocks**Answer Key**

Subtract 100 from each number	
128	28
567	467
300	200

Subtract 100 from each number	
289	189
345	245
301	201

Subtract 100 from each number	
798	698
899	799
420	320

Subtract 100 from each number	
330	230
590	490
112	12

Subtract 100 from each number	
525	425
813	713
513	413

Subtract 100 from each number	
105	5
501	401
730	637
