

Name _____

Date _____

Grade 2 Subtract 10 Boxes

In the boxes below, you can use mental math to subtract ten. First look at the number in the column to the left. By subtracting 10, you are making the number in the tens column one less. The number in the ones column will remain the same.

Subtract 10 from each number	
56	
38	
78	

Subtract 10 from each number	
90	
94	
89	

Subtract 10 from each number	
78	
67	
34	

Subtract 10 from each number	
70	
50	
40	

Subtract 10 from each number	
10	
54	
29	

Subtract 10 from each number	
99	
88	
77
