

Name _____

Date _____

Measuring length

In this worksheet, we will practice measuring the length of objects. To do this worksheet, you will need to cut out the ruler at the bottom of the page and hold it up to the objects. Measure from one side of the object to the other, starting at the 0 mark on the ruler. *The ruler is not to scale.* Measure to the closest inch or centimeter.

Exercise Questions:

1. Measure the object below:

_____ in

_____ cm

4. Measure the object below:

_____ in

_____ cm

2. Measure the object below:

_____ in

_____ cm

5. Measure the object below:

_____ in

_____ cm

3. Measure the object below:

_____ in

_____ cm

Answer Key

Measuring length

In this worksheet, we will practice measuring the length of objects. To do this worksheet, you will need to cut out the ruler at the bottom of the page and hold it up to the objects. Measure from one side of the object to the other, starting at the 0 mark on the ruler. *The ruler is not to scale.* Measure to the closest inch or centimeter.

Exercise Questions:
