

Name _____

Date _____

Kindergarten: Counting by Tens

When counting by tens the numbers create a pattern. All the numbers will always end in a zero when counting by tens. The first digit of the number increases by one, the same as when you count numbers. (1,2,3 etc.)

Count by 10's. Fill in the missing numbers on the lines provided below.

10 _____, 30

50, _____, _____, 80

20, _____, _____, _____, 60

30, _____, _____, _____, _____, 80

40, _____, _____, _____, _____, _____, 100

20, _____, _____, _____, _____, _____, 90

10, _____, _____, _____, _____, _____, 90

10, _____, _____, _____, _____, _____, _____, 100
