

Comparing Objects

In this worksheet, we will practice comparing the heights of different children.

For example:

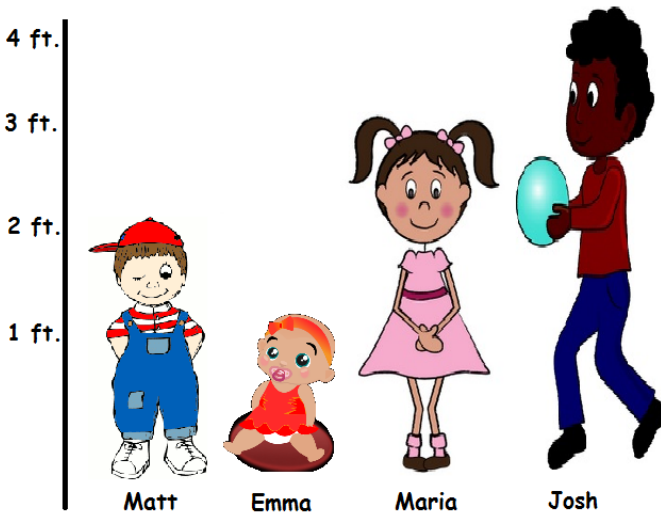

Sam is 4 feet tall.

Amy is 3 feet tall.

Sam is shorter (taller) than Amy.
Amy is (shorter) taller than Sam.

Exercise Questions:

Use the picture below for questions 1-6.

1. Matt is shorter taller than Emma.
2. Emma is shorter taller than Maria.
3. Maria is shorter taller than Matt.
4. Josh is shorter taller than Maria.
5. Matt is shorter taller than Josh.
6. Josh is shorter taller than Emma.
