

Name _____

Neighbors & A Ball Reading Comprehension Worksheet

Neighbors

The old man lived in a room. The room was in a house. The house was on a street. The street was off a big road. The old man was not alone. There were houses all around him. People from those houses visited him. They were his neighbors.

Question: Who visited the old man?

A Ball

You can kick a ball. You can throw a ball. You can put it through a hoop. You can toss it to your friend. There are red balls, white balls and yellow ones too. They can be played with just about anywhere. But not inside! Balls are for outside play.

Question: Name three sports played with balls.
