A Cat in School & Tame Wolf Reading Comprehension Worksheet

A Cat in School

One day a cat came into school. The cat was black and white. It came into Billy's class. The teacher said the cat would have to go back outside. The children were sad. Then they all drew pictures of the cat. The teacher put them on the wall.

Question: Why were the children sad?

The First Tame Wolf

The wolf sat outside the cave. There were people inside. They were laughing and eating. The men had spears. The wolf knew they were hunters. One of the women threw meat to the wolf. The people let him sleep near them that night. He guarded their cave. He was happy.
