

Name _____

Clocks & Animals Reading Comprehension Worksheet

Clocks

We have many clocks in our house. There is a big one on the wall. My mother and father have one by their bed. There is one on the stove. There is one on my sister's phone. There is even one in the bathroom! No one is late at my house.

Question: How many clocks are in the house?

What Animals Can Do

A bird can fly. A fish can swim and a horse can run. A turtle can walk slowly. A dog can jump and a cat can pounce. Animals can fly, swim, run, walk, jump, and pounce! Can you?
