## The Owl & New Bike Reading Comprehension Worksheet

### The Owl

The owl looks wise. He comes out at night. Owls eat mice and other living things. Owls can be brown, gray, or white. Some live in barns and are called Barn Owls. Owls can be scary. They fly very quietly. People can be scared by an owl flying by in the night.

Question: What colors can Owls be?

---

---

### The New Bike

Jill got a bike for her birthday. It was blue and shiny. She rode it up and down her street. Jill's friends take turns on her bike. Jill gave her old red bike to the little girl next door. The little girl was very happy.

Question: What color was Jill's bike?

---

---
