Directions: Correct the run-on sentences in the paragraph.

Our teacher surprised us today, she let us listen to the radio as we worked. She even let us sing along with the songs but we had to sing quietly. I wish she would play the radio everyday it makes class so much more enjoyable. I wonder why teachers don't understand that. I know she won't play it every day but I thought it was great. She is now my favorite teacher. My friends agree with me class seemed to fly by today. She said it was our reward for working so hard this week, everyone had better work hard next week, too.
