

Name _____

Date _____

Locating Constellations

In this worksheet, we will practice locating constellations on a star chart. For example, Delphinus, the dolphin, is circled in grey.

1. Circle Pegasus in blue.
2. Circle the Little Dipper in yellow.
3. Circle the Big Dipper in red.
4. Circle Cygnus, the swan, in orange.
5. Circle Draco, the dragon, in purple.
6. Circle Hercules in green.

Answer Key
